Traditional celebration „Greeting autumn“

A large group of approximately 100 people, mostly women, are posing for a group photo outdoors in a garden. They are arranged in several rows, some standing and some kneeling or sitting in the front. Many of the individuals are wearing matching light blue and yellow-green short-sleeved shirts. The setting is a lush garden with large trees in the background, casting shadows on the ground. In the foreground, there is a circular garden bed with a low stone border and some small plants. The overall atmosphere is bright and sunny.
